

The Continental Airlines International Friendship Run

New York, Saturday Nov. 1, 2008

(The day before the ING N.Y. Marathon)

The Continental Airlines® International Friendship Run on Saturday, November 1, united more than 15,000 runners from around the world in a celebration of the power of sport. Flags from scores of countries fluttered in the breeze at Dag Hammarskjold Plaza near the United Nations, where the 2.5-mile fun run began. For most of the participants, it was a relaxed warm-up to tomorrow's ING New York City Marathon.

With less than 24 hours before the marathon, these runners looked relaxed and ready.
